DESIGN PROJECT

ONBOARDING: Sample Schedule

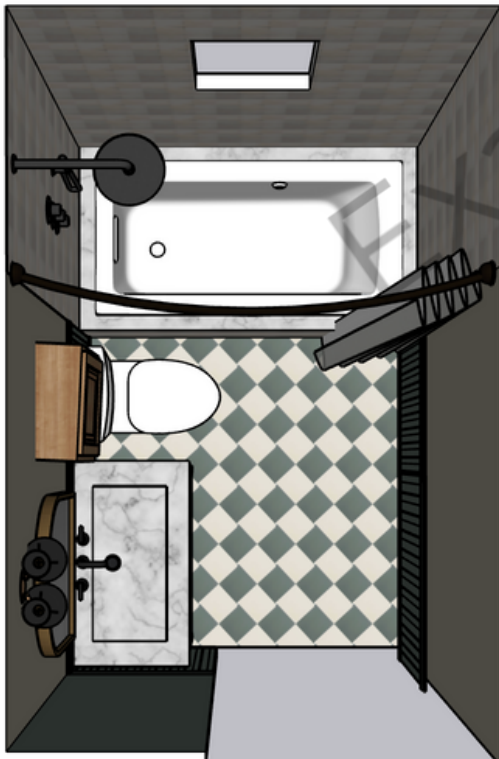

Onboarding		
Review onboarding paperwork and complete questionnaire.		
		Meeting
		Face to face consultation to align goals and expectations.
Project Proposal		
A proposal will be put together covering estimated time frames and full scope of work.		
		Contract
		Review and sign contract.
Concept Design		
Design developed. Mood boards, renderings, and initial recommendations shared with clients.		
		Design Revision
		If required, one design revision is included in the package. Additional revisions will be charged hourly.
Final Designs		
A finalized collection of all design recommendations including a source and price list will be compiled for the clients.		
		Wrap-up
		Designs will be approved by both parties.
